God, the unseen Creator of the universe, exists and He sees and loves you. God wants you to be with Him forever in heaven. Because God is holy, if you have ever sinned, you will not be able to enter heaven until the punishment for your sins is completely paid. God will accept payment by Jesus of Nazareth on your behalf so that you will not have to pay for your sins forever in hell.

God proved how much He loves you. God sent His Son, Jesus, the Christ, the Messiah, to die in your place as the payment for your sins. Jesus loves you and proved it by willingly receiving the punishment for your sins. Jesus died for you in your place as your substitute to bear the entire penalty deserved by your rebellious sins against God.

In order to receive complete forgiveness of all of your sins you must make an arrangement with God and Jesus to count Jesus Christ's death as payment for your sins. To do so, 1) tell God that you are sorry for your sins because you have disrespected and offended Him; 2) ask Jesus Christ to rule over, care for, and be completely responsible for you and your eternal destiny; 3) desire to sin no more with Christ's help by the power of His Holy Spirit which He will give you; 4) follow Christ with all of your heart; and 5) read the New Testament of the Bible to help you to know and follow Christ's teachings.

Let's discuss this to make sure that you have God's **guarantee** that you will be someday with Him forever in heaven. Please contact me using the information on the reverse side.
